Detailed Contents

The following table lists all revelations and other items presented in this volume, in the order in which they appear in their respective publications: the Book of Commandments, *The Evening and the Morning Star*, and the first and second editions of the Doctrine and Covenants. Revelations printed in *Evening and Morning Star*, the later, reprinted version of *The Evening and the Morning Star*, can be found on the same pages as their earlier counterparts. The table also includes the items presented in Appendix 1: Proposed Sixth Gathering of the Book of Commandments. Because Appendix 2 includes only incomplete excerpts from Oliver Cowdery's copy of the Book of Commandments, the specific revelations that appear therein are not listed here.

The first column in the table below lists the chapter number, section number, or issue date of each item. The second column gives the standard date of each item, based on careful study of original sources. The "standard date" is the date a revelation or other item was originally dictated or recorded. If that date is ambiguous or unknown, the standard date is the best approximation of that date, based on existing evidence. These standard dates do not always correspond to the dates printed in the various publications. In cases in which two or more items bear the same date, such as April 1829, a letter of the alphabet has been appended, providing each item a unique editorial title—for example, April 1829–A or April 1829–B. A bracketed "D&C" reference to the 1981 edition of the Doctrine and Covenants is included for each item that was later canonized by The Church of Jesus Christ of Latter-day Saints. The page numbers in the third column correspond to page numbers in this published volume, not to original page numbers printed in the various publications. Readers wishing to locate a particular revelation or other item may also consult the table titled Corresponding Published Versions of Revelations (pages 719-724 herein), which lists the items in chronological order.
